No. 6582

D. 206

FROM

P. B. WARBURTON, Esq., I. C. S.,

FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

Ed. 23-14

To

The Dewan of Mysore.

Dated Bangalore, 12th September 1914

SIR,

In a letter No. 280, dated the 16th June 1914, addressed to the Government of India in the Department of Education, the Lady Superintendent, Maharani's College, Mysore, has asked for certain information in connection with the award of scholarships to lady students who wish to join the medical college for women at Delhi.

2. The rules governing the grant of such scholarships are contained in the enclosed letter and I am directed to say that if a suitable candidate is available, a scholarship will be placed at the disposal of the Durbar.

3. I am to add that students who have joined the junior intermediate or similar standard this year may be considered eligible for the scholarship.

I have the honour to be,

Sir,

Your most obedient servant,

P B Warburton

First Assistant Resident.

R O. 2.—R. P. B.—7-1914.—1,000.

No. 1990-1996, dated the 16th October 1913.

From--The Hon'ble Mr. H.Sharp, C.I.E., Joint Secretary to the Government of India, Department of Education.

To--The Secretaries to the Governments of Madras, Bombay, Bengal, the United Provinces, Punjab, Bihar and Orissa. The Hon'ble the Chief Commissioner of the Central Provinces.

I am desired to say that Her Excellency the Lady Hardinge has decided to give out of the funds which have been collected for a Medical college for Women at Delhi, a certain number of scholarships for lady students who may wish to join that institution when it is opened.

2. It is proposed to allot 18 scholarships of Rs. 30 a month each tenable for two years' scholarships are allotted

*~~Three~~	for ~~students~~ who ~~are~~
~~Four~~	a student is a
~~Four~~	
~~Two~~	resident (s) of the
~~Three~~	
~~One~~	~~Presidency of Madras~~
~~One~~	Bombay, &c.

3. The object of the scholarships being to enable ladies to enter the College at Delhi and commence their professional course there, it is suggested that the award be made on the result of the matriculation, school final examination or school leaving certificates so as to enable candidates whether already enrolled in colleges or who have just completed their school course to pass the intermediate or similar standard in 1915 and to enter the college at Delhi at its opening.

4. Candidates for these scholarships must be statutory natives of India. They must also guarantee that they will study for two years in a college affiliated to the local university, the course leading up to the intermediate (or similar standard) with such special subjects as may be prescribed by that university for entering thereafter upon a professional course of medical study and that on the completion of these two years, they will seek admission to the medical college to be established at Delhi and continue their studies to the medical degree for which that college will teach. Should that institution not be completed by the close of 1915, suitable arrangements

arrangements will be made for the instruction of the scholars elsewhere till it is open. The question of providing scholarships tenable during the period of study in Delhi is under consideration by the Governing Body of the College. It is hoped to make an announcement on this subject within the next six months. The continuance of the scholarships and the award of any further scholarships will be contingent on the progress of the scholars and the receipt by the local Government of good reports upon them.

3. I am now to ask that (with the permission of His/Her Excellency the Governor in Council / Honour the Lieutenant Governor in Council) scholarships may/a scholarship be awarded to such lady students as the local Government/you may, on the results of the examination which closes the secondary school course, deem most likely to profit from the facilities afforded by the tenure of the scholarship and the opening of the College at Delhi. It is requested that the name of the scholars may be reported to this office in the marginal form. The scholarship(s) will run for two years up to the middle or close of 1915, according as the scholar(s) have/has entered College at the middle of 1913 or at some later date. There is no objection if payment of the scholarship(s) is made with retrospective effect in the case of ladies/a lady who entered College(s) before the receipt of this communication.

X Please see the enclosed form.

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

861

No. 8174 Encl. 2 / 345

Bangalore, 12th November *191* 4

From

RAO BAHADUR M. SHAMA RAO, ESQ., M.A.,
Inspector-General of Education in Mysore.

To C.S. Balasundaram Iyer Esq., B.A.,
Secretary to the Government of His Highness the Maharaja of Mysore;
Departments of Education & Agriculture,
Bangalore.

SIR,

With reference to your letter No.437/Edn.23-14 dated 25th September 1914 requesting me to ascertain if any pupil of the Maharani's college Mysore is willing to undergo training in the Medical College for women at Delhi, I have the honour to forward herewith two applications, received with the Lady Superintendent's docket No.436 dated 6th November 1914, from S. Nanjamma and S.N. Chokkamma, pupils of the Maharani's college who are desirous of undergoing the said training.

Nanjamma, who is in the Senior Intermediate class, appears to be the more deserving of the two and I accordingly recommend her for the award of the scholarship.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shama Rao

Inspector General.

To

Miss A. Park.

Lady Superintendent.

Maharani's college.

Mysore.

Madam,

I am given to understand that a Medical college for ladies would be started at Delhi shortly and that a scholarship has been placed at your disposal for being immediately given to the candidate selected by you for the Medical college.

In this connection I beg to recall to your memory that I had once before applied for a Medical scholarship to pursue my course of study in Medicine in the Grant Medical College, Bombay.

As there is now a chance of realising my long-cherished wish, I beg you to kindly select me as a candidate for admission to the woman's medical College, Delhi. As the place is far away from my house and as I have to take with me some one who is interested in my welfare, the scholarship that might be available from the Medical college might not

be enough for me to keep up a separate home in a foreign place like Delhi and meet all the incidental charges. Under these circumstances, allow me, Madam, to beg of you to recommend my case for the gracious consideration of the benign Govt. of H.H. the Maharaja of Mysore and thus secure me a scholarship which together with that to be given at Delhi Medical College might come up to Rs 80 besides the books and instruments required for my use during the college course as was formerly sanctioned.

I beg to remain,

Madam,

your most obedient Student

S. Nanjamma

S. 9. A. class

Mysore

6th. Nov. 1914

Mysore 10
31.11.1914.

To.

Sl. ama Row Esqr M. A.
Inspector General of Education

Through
Miss Park.
The Lady Superintendent-
Maharanie's College
Mysore

Sir

As I hear that scholarships from the medical college at Dheli to students who will consent to write & sign a bond promising to prosecute the studies there, I beg of you to grant me the scholarship as I am willing to act up to the conditions. But meanwhile as I will have to give up my present post as a school mistress I beg that the concession of having my own post again in case I should have the mishap of failing in the Intermediate Arts examination.

In case the Dheli scholarship is granted to me I request that the present scholarship I am receiving from this college may be held by me to study for the Intermediate Arts may be held by me to study for the Intermediate Arts may be kindly continued. till I pursue the course in the Dheli scholarship begins now from now.

I further request that when I leave this state for Dheli a scholarship of Rs 30 at least may be granted me from this state as the living at Dheli is very costly & the climatic conditions of that place require woolen clothing.

With respect
I beg to remain Sir
Your most obedient
servant
S. N. Chokkammah

FROM P. B. WARBURTON, Esq., I. C. S.,
FIRST ASSISTANT TO THE RESIDENT IN MYSORE.

To

The Dewan of Mysore.

Dated Bangalore, 15th December 1914

SIR,

I am directed to refer to my letter No. 6582, dated the 12th September 1914, in which it was intimated that, if a suitable candidate was available for the new medical college for women at Delhi, a scholarship (Rs. 50 a month) would be placed at the disposal of the Durbar.

2. The Honorary Secretary to the College Committee would be glad to learn, as soon as conveniently possible, whether the Durbar have any nomination to make. If not, the scholarship will be awarded elsewhere.

I have the honour to be,

Sir,

your most obedient servant,

P. B. Warburton

First Assistant President.

To

The Dewan of Mysore

Dated Bangalore, 16th December 1914.

SIR,

In continuation of my letter No. 6582, dated the 12th September 1914, I am directed to forward, for such action as may be considered desirable, 18 copies of a memorandum for the use of students who propose to apply for admission to the new Medical College for women at Delhi when opened. It is not anticipated that the college will be opened before 1916.

I have the honour to be,

Sir,

MEMORANDUM FOR THE USE OF STUDENTS WHO PROPOSE TO APPLY FOR ADMISSION TO THE LADY HARDINGE MEDICAL COLLEGE FOR WOMEN, DELHI.

The Lady Hardinge Medical College Hospital and Training School for Nurses is intended to commemorate the visit of Her Imperial Majesty to Delhi in 1911, and to serve as a Memorial to the late Lady Hardinge of Penshurst. It has been established in order to meet the medical needs of the women of India.

The main object is to provide complete courses of instruction to women residents of India who wish to qualify themselves as doctors, or to receive a full training as nurses.

An additional object is the provision of accommodation for the medical and surgical treatment of women, having a due regard to the observance of *purda* and caste customs. To ensure this, the patients will either be treated in the hospital wards or permitted to reside together with their families in separate cottages built for the purpose.

It is thought that the establishment of such an institution, staffed entirely by women of good professional repute, will meet a long-felt need.

The College and Hospital buildings together with hostels for medical students and nurses and residences for the medical and teaching staff will be grouped in one large compound of 56 acres, situated in the Imperial enclave and in close proximity to the old city, as well as being conveniently near to the railway station.

The compound will be surrounded by a high wall, and every provision made for the seclusion of both students and patients from outside observation.

The Medical College.

The College buildings will consist of three blocks, the central group containing a large lecture theatre, or convocation hall, library, museum, Principal's office and students' and professors' rooms.

On either side of this are situated the two science blocks comprising well equipped laboratories and lecture rooms adapted to the teaching of Biology, Chemistry, Physics, Anatomy, Physiology, Pathology, etc.

The professorial staff of the College, assisted by the necessary demonstrators, will give instruction in the following subjects :—

Medicine.

Obstetrics.	Surgery.
Pathology.	Gynæcology.
Jurisprudence.	Bacteriology.
Tropical Medicine.	Hygiene.
Anatomy.	Materia Medica.
Biology.	Physiology.

Courses of Study.

The Medical College will be affiliated to an Indian University and the courses of study will be adapted to prepare the students to sit for the examinations required by that University for the degree of M. B. B. S., or for any properly recognised State diploma.

Conditions of Entrance.

No student will be admitted to the College under the age of 17.

Applications for admission must be made to the Principal, at least one month before the beginning of the Session.

Each medical student must, before entering upon a medical course, produce certificates of having passed the two following examinations :—

(*a*) The matriculation examination of one of the following Universities : Calcutta, Bombay, Madras, Punjab, Allahabad, Dacca.

(*b*) The Intermediate examination in the Arts Faculty of an Indian University as above, Physics and Chemistry preferably having been taken as one subject.

She must also produce a certificate of character from the Principal of the College or School in which she last studied.

The form of application for admission must be accurately filled in and attested by a person of known respectability. A copy of this form may be obtained from the Principal.

The College Year.

The College year will consist of one session extending from the beginning of October to the middle of the following June. There are three terms :—

First term.—October-December, inclusive.

Second term.—January-March, inclusive.

Third term.—April-June 15th, inclusive.

During the summer vacation, students acting as clerks and dressers will be required to do hospital duty for seven weeks as arranged.

Courses of Study.

First year.—Chemistry, Biology, and Physics. At the end of the year, the student will be expected to take the Preliminary Scientific Examination, or its equivalent, as required by the University.

Second and third years.—Lectures in Anatomy, Physiology and Materia Medica. Practical classes in Anatomy, Physiology and Materia Medica.

Fourth year.—Clinical Study. Medical and Surgical posts as clerks or dressers, Elementary Clinical Medicine. Elementary Practical Surgery, Clinical Lectures, Obstetric and Gynæcological Demonstrations, Morbid Histology, Bacteriology, Anæsthetics, Toxicology, Public Health, Vaccination.

Fifth year.—Clinical study. Medical, Surgical and Gynæcological appointments, Casualty, Practical Midwifery, Practical instruction in Fevers, Lunacy, Anæsthetics, Pathology, Lectures in Medicine, Surgery, Midwifery, Gynæcology, Medical Pathology, General Pathology, Forensic Medicine, Ophthalmology, Clinical Lectures.

Sixth year.—Special appointments, Lectures. Medicine, Surgery, Gynæcology, General Pathology, Ophthalmology, Operative Midwifery, Operative Surgery, Case-taking classes. Nose, Throat, Ear, and Skin Demonstrations, Pathological Demonstrations, Surgical Anatomy.

Examinations.

College examinations will be held during the last fortnight of each session.

Frequent class examinations will be given in order that the progress of the student may be tested.

No student will be allowed to sit for a University Examination until the Professors are satisfied that a sufficiently high standard has been reached.

The University examinations are as follows :—

Preliminary sicientific or its equivalent at the end of the first year.

The Intermediate Examination at the end of the third year.

The final M. B. B. S. at the end of the sixth year

Attendance of Students.

The College will be open from 7-30 A.M. to 5 P.M.

The dissecting room will be closed at 5-30 P.M. On Saturday the College will be closed at 1 P.M.

Students will be expected to begin work on the first day of each term, and to report themselves to the Principal. They will be required to attend lectures and classes regularly; the cause of absence from any class being explained to the Professer or Demonstrator, and an absence of more than one day being reported to the Principal.

Leave of absence will only be given by the Principal.

Certificates of attendance will not be signed unless a definite proportion of lectures and practical classes have been attended.

Prizes and Certificates.

Prizes and certificates will be awarded each year in the subjects of the curriculum. Special credit will be given for excellence in practical work.

Clinical Instruction.

The hospital, when complete, will contain 152 beds. Arrangements in connection with the clinical work of the students will be made by the Principal, to whom the students will be responsible in all matters of discipline and conduct generally, while they are working in the hospital.

A record of the attendance of each student will be kept by the Medical Officer whose clinic she is attending, leave of absence extending over two days when given by the Medical Officer being reported to the Principal, and the date of return being duly notified to him by the student in person.

Hospital students will be entitled to six weeks' holiday during the year, one month of which should be taken, if possible, during the hot weather or rains.

Students will be expected during their course of training to act as clerks or dressers in the following departments:—

Medicine	6 months.
Surgery	6 months.

Obstetrics, Gynæcology, Casualty, Eye, Throat, and Ear, and Pathology each three months.

Students' Hostel.

All students during their course of training will be expected to live in the students' hostel, situated in the compound, and under the charge of a lady warden.

Each student will be provided with a furnished bed room. She will have the privilege of using in common with the other students the large recreation, writing, and tea rooms which are situated in the quadrangle.

Separate dining rooms will be provided for Hindus, Mahommedans, Native Christians, Parsees, and Europeans.

Hindus and Mahommedans will be accommodated in separate blocks.

All students will be expected to have breakfast, lunch, and dinner in their respective dining rooms.

Electric light will be provided in the students' rooms till 10-30 P.M. After this hour no student will be allowed to work in her room, without special permission from the Principal. Lights in the common rooms will be turned out at 10 P.M.

Each student will be expected to bring with her a stock of linen as follows: 6 sheets, 6 pillow cases, 2 blankets, 6 towels, and 6 table napkins. She should also be provided with washing overalls for work in the laboratories.

The students will be encouraged to take daily recreation and exercise. Tennis, badminton and hockey grounds will be provided in the compound and arrangements for indoor games will be made in the recreation room.

No student is allowed to leave the compound without permission from the lady warden.

18

With the consent of the warden visitors may be seen at stated hours.

At the wish of the parents or guardian, and with the consent of the Principal, students may visit specified relations or friends provided that they are accompanied by responsible chaperons.

Fees.

All students taking the medical course will be required to pay a fee of Rs. 125 in advance each year. This will include fees for lectures, practical classes, and clinical work.

The fee for board, washing, and residence in the hostel will be —

Rs.	25	per mensem			European diet.
„	25	„	..	.. ..	Parsee diet.
„	15	„	..	.. ..	Hindu diet.
„	15	„	..	.. ..	Mahommedan diet.
„	15	„	..	.. ..	Native Christian diet.

(The above is subject to alteration, but may be taken as an average.)

All students will be expected to pay an annual subscription of Rs. 4 to the Games Club and Recreation Room.

Scholarships.

A scholarship of Rs. 30 *per mensem* has been offered to be awarded annually to the most deserving student of the College by the wife of the Honourable Maharaja Ranajit Sinha of Nashipur in memory of the late Lady Hardinge.

Other scholarships varying from Rs. 10 to Rs. 30 *per mensem* are offered. Those for the first-year students will be awarded on the results of the class examinations held at the end of the first term, together with reports of practical work done in the classes during that term.

The scholarships for the remaining years will be awarded for the work, practical and theoretical, done during the preceding year.

Gold Medal.

Dewan Bahadur Daya Kishan Kaul, C.I.E., has offered a gold medal which will be awarded annually to the student who attains the most distinguished position in the first class division of the Preliminary Scientific Examination.

This medal is given as a memorial to the late Lady Hardinge.

Library.

The College Library will contain modern books of reference, journals, etc., for the use of students who, however, are expected to provide their own text books, note books, etc.

The cost of these will be about Rs. 60 annually.
